Group #37 Team Evaluation

List of Team Members: Mohini Dutta, Matthew James Bae, and Peter Windas

We are one of the groups assigned to the Student Expense Tracker System Project. Everyone is currently putting in the same amount of work, no one person's work contribution is greater or lower than another's. Mohini and Peter are both very available and cooperative, making working with them easy.

Everyone met up and worked on this checkpoint together. Each team meeting was attended by all three of us and everyone participated in them. Mohini, Peter, and I all did around a third of the work on the checkpoint to keep it fair.
